

How to choose - JIFFY® PADDED BAGS

Famous heavy-duty protection for bulky items. Perfect for domestic and overseas mailing. Tests performed show that the Jiffy Padded bag offers significantly better performance in burst strength, durability and cushioning when compared to lighter weight mailers. Maximum protection for items you want to ensure arrive in perfect condition.

Features

- Tough outer paper with 100% recycled paper fibre lining.
- Cushioning improves with use.
- Four fold construction with double glued bottom flap and no side seams provide high resistance against bursting and puncture.
- Strong self-seal.
- Fully recyclable.
