

How to choose - STORAGE BOXES

- *Ideal for storing documents over a period of time, particularly to meet legal archive storage requirements.*
- *Made typically from strong corrugated board in single or double wall for extra strength and durability. Plastic boxes also available for greater life and durability.*
- *Boxes can be stacked to maximise storage space or shelved.*
- *Choose from boxes with loose lids, flip top lids or drawers. Various sizes to meet your filing requirements.*
- *Large labelling areas on each end for easy identification.*
- *Carrying handles allow easy transportation.*
